- *Bicycle parking and symbols indicate precise locations so you can use them to navigate around the park.
*Other symbols indicate approximate location. Actual location may vary.
*Numbers displayed outside the entrance to restrooms.

- Fukuoka City "Baby Stations"**
Some of the nursing rooms in the park are designated as "Baby Stations" by Fukuoka City.
- Baby changing tables, baby chairs and nursing rooms are located near main facilities.
 - Feel free to ask for hot water (to warm formula) at management centers and shops.
 - Free baby strollers are available at all gates.
- Yellow Triangle Flags**
Yellow triangle flags indicate areas that are 7m or higher above sea level, including the Animal Forest Observation Deck (E4), West Gate Management Building (G7), Children's Playground (H5), Outdoor Theater (I3) and Eco-Friendly Forest Observation Deck (T3). We are gradually placing them in other locations as well. Please use these flags as both a landmark and a tsunami evacuation point.

Universal Design at Uminonakamichi Seaside Park
Our goal is to create a welcoming, accessible environment where everyone can enjoy the park comfortably with peace of mind. We have incorporated various aspects of universal design, such as creating more shaded areas, strategically placing benches, and providing information and signs for easy navigation. If you notice anything that could further enhance your experience at the park, please do not hesitate to share your thoughts with us. Our staff is dedicated to continuously improving our services to ensure that every visitor has an enjoyable experience.
